

ARCADIA PUBLIC SCHOOLS
Transportation/Route Schedule
2021-22

The following are tentative times for pick-up and drop-off of students on our routes for the 2021-22 school year. These times may differ depending on students who do or do not ride to or from school on a given day. Weather and road conditions will play a major factor with these times as well. Each driver has been instructed to make sure the families on their route has their phone numbers so good communication between the parents and drivers is possible. If you should have questions, please feel free to contact your route driver, or contact the school at 789-6522.

Ord Route Route Bus Ray Berry

Family	# of Riders	AM
